

Celebrate

St. Patrick's Day

with Andy Mirkovich Productions

History

St. Patrick's Day is a holiday to commemorate the death of the patron saint of Ireland, which has evolved into a celebration of Irish culture. The Irish have observed this day as a religious holiday for thousands of years.

Wearing of the Green Goes Global

Today, St. Patrick's Day is celebrated by people of all backgrounds in the United States, Canada and Australia. Although North America is home to the largest productions, St. Patrick's Day has been celebrated in other locations far from Ireland, including Japan, Singapore and Russia.

Irish Music

Music is often associated with St. Patrick's Day—and Irish culture in general. From ancient days of the Celts, music has always been an important part of Irish life. The Celts had an oral culture, where religion, legend, and history were passed from one generation to the next by way of stories and songs.

Today, traditional Irish bands like the Chieftains, the Clancy Brothers, and Tommy Makem are gaining world-wide popularity. Their music is produced with instruments that have been used for centuries, including the fiddle, the uilleann pipes (a sort of elaborate bagpipe), the tin whistle (a flute that is actually made of nickel-silver, brass, or aluminum), and the bodhran (an ancient type of framedrum that was traditionally used in warfare rather than music).

The Secret To Having A Great St. Patrick's Day Celebration
